Re: Division D Status Report

As Division D Governor, I am excited to announce that Division D is on track to becoming a **President's Distinguished Division!** With such an incredible set of Area Leaders, this does not come as a surprise. I have been honored to work with these fine individuals and it is a pleasure to represent such a terrific Division in District 24!

Division D was also proud to be recognized as having all club renewals complete by April 1st! Congratulations Division D Area Governors, Clubs and Members!!

Goal 1: No net club loss, and Net growth of one club:

- Division D began the year with 14 clubs. There have been no clubs lost, and with the addition of the Advanced Club into Area 30D, we will end the year with a net growth of one club.

Goal 2: 75 percent Distinguished Areas:

- **Area 30D** needs just two CCs and one AC, plus one of its four clubs to become Distinguished. This will be complete by years-end. Way to be a leader **Kathy Henvey!!**
 - **A-Rousers #2202** is just one point away from being Distinguished. They are on track for two more CCs and two additional ACs before year-end. A-Rousers has had 6 new members so far this year!
 - **Blue Ah Busters** is just one point and two new members away from being Distinguished. They are on track for 3 more CCs and 2 additional ACs before year-end.
 - **HDR #1454** has been doing fantastic on membership building. They have 7 new members this year!!
- **Area 31D** needs just four CCs and one AC, plus two of its four clubs to become Distinguished. Way to track those reports **Kim Spicka!**
 - **RealTalkers club #8759** has reported that it "will" be Distinguished, finishing three CCs and one AC before year-end. They are currently 2 points away from being Distinguished. RealTalkers has had eight new members already this year!
 - **Club Fed #651085** 2 points and 6 new members away from becoming Distinguished. With the one point coming from a CC to be complete before year-end and a comprehensive membership plan underway, Kim Spicka is confident this happen!!
- **Area 32D** needs just three CCs and just one more of its four clubs to be Distinguished. Way to take charge **Sheri Wells-Chesley!**
 - **Small Talkers #3194** is already a Distinguished Club!
 - **Revellers Club #1796** is just one point away from Distinguished and is on track for an additional CC. Pulling just two more CCs from its three other clubs will take Area 32 on to Distinguished! Also it is important to note that the Revellers have added 9 new members this year!!
- **Area 34D** is already a **Distinguished Area!!** – Congratulations David DeFord!
 - **Noon Shiners #4070** is already a Select Distinguished Club completing 8 of its 10 goals! Congratulations Noon Shiners!!
 - **West Dodgers #706453** is just one point away and will be a Distinguished Club this year – and they haven't even completed their first year as a chartered club!! Way to go West Dodgers!
 - **West O! Toastmasters** is just one point away from being Distinguished and will be sure to have that goal complete by years-end.
